Our Center of Excellence team steps in

Watch for the **Microsoft Teams invite** for your class. In-person and virtual attendees both get one so instructors can share content and answer questions.

In person

Arrive **at least 30 minutes before class starts** on your first day. That gives you time to connect to our network and set up anything you brought.

Bring: a laptop with Chrome or Edge, its charger, and questions about your own use cases.

We provide: a workstation, lunch, and snacks.

Virtual

Join the Teams link from your invite **no later than 8:50 a.m. Eastern** on the morning of class.

You need: a reliable internet connection, a computer with Chrome or Edge, and a headset.

The day

Class starts at 9:00 a.m. sharp and runs until 4–5 p.m. No building and no prior Fuuz experience is needed.

Recordings and materials

Every session is recorded, and recordings are provided at the end of each day. Any materials presented are provided to students.
